

THE COMMUNITY ACUPUNCTURE PROJECT OF COLUMBIA CITY
AFFORDABLE HEALTHCARE FOR ALL

We work on an honor system. You will find a box in the clinic to put your check/cash in. We do not take credit cards at this time.

Everyone is required to pay an initial registration and paperwork fee of \$10, and then you will decide the cost of each treatment according to what you can comfortably afford. Below is a guide that we have found to be fair.

Under \$20,000	- \$15 per treatment + \$10 for repeat treatments within same week.
\$20,000 - \$25,000	- \$20 per treatment + \$10 for repeat treatments within same week.
\$25,000 - \$30,000	- \$25 per treatment + \$15 for repeat treatments within same week.
\$30,000 - \$40,000	- \$30 per treatment + \$15 for repeat treatments within same week.
\$40,000 - \$50,000	- \$40 per treatment + \$20 for repeat treatments within same week.
\$50,000+	- \$45 per treatment + \$25 for repeat treatments within same week.

The Community Acupuncture Project does not receive grants, state or federal money or insurance reimbursement. We exist solely because patients pay for their treatments – it is a sustainable community business model.
